

Assistance Grant:

Adapting for a Safe Reopening

The California League of Park Associations (CALPA) and Parks California are coming together to present the *Assistance Grant: Adapting for a Safe Reopening*.

COVID-19 continues to create unprecedented challenges for California State Park Cooperating Associations, Co-Managers and Concessions working alongside park staff to provide world class experiences to visitors. The assistance grant opportunity is available to current CALPA members to promote visitor/employee safety, to allow adherence to social distancing guidelines, and to transition to effective remote work.

The Assistance Grant: Adapting for a Safe Reopening will support \$300 of expenses to assist with the safe reopening operations of California State Park visitor centers, bookstores, museums, and gift shops. Applications must be received by October 9th, 2020 and grant checks will be issued by November 9th, 2020. All current CALPA members in good standing are encouraged to apply. Recipients of previous Parks California COVID-19 grants remain eligible to apply for this funding in addition to previous awards.

About California League of Park Associations (CALPA)

The California League of Park Associations provides mutual support and networking among the Cooperating Associations, Co-Managers and Concessions linked to the California State Parks System by:

- Arranging workshops, webinars and conferences for members
- Providing a shared resource library of documents and contracts for members
- Being an advocate for California State Parks
- Recognizing excellence within the family of Cooperating Associations and Co-Managers
- Representing Cooperating Associations and Co-Managers at the Department of Parks and Recreation and with other Parks stakeholder organizations
- Furthering the common interests of Parks Associations and Parks stakeholders

About Parks California

As California State Parks' statutory partner, we have a simple mission - to help strengthen parks and inspire all to experience these extraordinary places.

Our focus is to:

- Expand and support park programs, amenities, and resources;
- Bring younger and more diverse audiences to parks and public lands; and
- Help ensure our parks meet the evolving needs of all Californians.
